

NATIONAL ACCREDITOR SPOTLIGHTS ACCREDITED HOME HEALTHCARE DIRECTORY

In continuation of our partnership with ACHC and to further our mission of supporting home healthcare providers, the Accredited Home Healthcare Directory has been spotlighted for our service and support.

(Allen Park, Michigan) - Accredited Home Healthcare Directory (AHHD) was honored to be spotlighted by Accreditation Commission for Health Care (ACHC), a nationally recognized accreditor for healthcare providers, including home healthcare.

The spotlight not only highlights the partnership between AHHD and ACHC, but also benefits ACHC accredited providers/members with a "golden" opportunity:

All ACHC accredited home healthcare providers who display the ACHC gold seal on their website will receive a second year of an upgraded listing in our directory (AHHD) at no additional cost. (Click [here](#) for more info.)

More On The Partnership

"This partnership between ACHC and Accredited Home Healthcare Directory benefits the homecare agency members by connecting them to those who need care via our online directory at no cost," Rogers said. "This partnership will also serve to promote the vital role accreditation plays in-home healthcare in today's new normal."

"It's always great to partner with organizations that understand why accreditation matters," said Ryan Ragan, ACHC Business Development

Manager. "AHHD ensures that you have the knowledge and resources needed to make educated decisions regarding your loved one's care."

About Accredited Home Healthcare Directory (AHHD)

The goal of Accredited Home Healthcare Directory is to be a one-stop resource and starting point for consumers seeking care for their loved ones. By connecting those needing care with accredited providers who care, AHHD helps consumers find the best services to meet their needs. AHHD also offers educational resources on the necessity and impact of accreditation as well as other issues facing caregivers and provides supportive resources to those both needing care and providing care.
